OBJECTIVE

A highly creative and self-motivated individual looking for the position of a Full Stack Software Developer that offers good career growth. Excellent academic background with proficient English language skills.

PROJECTS

1. True Feedback

- **Frameworks:** Next.js, React, TypeScript
- **Features:** Feedback suggestions, schema validation with Zod, secure authentication using NextAuth.js, and email automation with React Email and Resend.
- **Highlights:** Optimized UX with ShadCN UI, responsive design using Tailwind CSS, carousel autoplay with Embla, and real-time data fetching via Axios.

2. Social Media App

- **Frontend:** React.js with Context API and Zod for schema validation
- **Features:** File uploads via Dropzone, efficient data fetching using TanStack Query, and seamless scroll handling with Intersection Observer React.
- **Highlights:** Modular design using ShadCN UI and cloud-backed services via Appwrite.

3. Chat Application

- **Frontend:** React.js with Zustand for state management
- **Backend:** Node.js, Express.js, MongoDB
- **Features:** Real-time messaging enabled by Socket.IO, dynamic UI updates, and secure server-client communication.

4. Blog Application

- **Frontend:** React.js with Redux Toolkit for state management
- **Features:** Rich text editor integration using TinyMCE, performant form handling with React Hook Form, and Appwrite for backend services.
- **Highlights:** Streamlined publishing experience with real-time editing capabilities.

SKILLS

Frontend Development: React.js, Next.js, ShadCN UI, Tailwind CSS.

State Management: Redux Toolkit, Zustand, Context API.

Form Handling & Validation: React Hook Form, Zod.

Real-Time Communication: Socket.IO.

Data Management: TanStack/React Query, Axios.

File Handling: React Dropzone.

Deployment: GitHub, Vercel.

EDUCATION

BCA Computer Science

RK University

07/2022 – 05/2025

79%

SSC & HSC

Gangotri School

06/2019 – 04/2022

Class X/XII : 62% / 67%

COURSEWORK

- Data Structures and Algorithms Basics
- Object Oriented Programming
